Drone Team Challenge Demonstration

Back by popular demand, the student mentors from the Embry Riddle Engineering Program at Choctaw High School will present the Drone Team Challenge program at the upcoming Scout-O-Rama event.

The Game Changers Squad empowers students through experimentation and hands-on interactive learning. This program is held on the first Saturday of each month and is intended to expose students to new technologies - inspiring excitement while encouraging critical thinking and problem solving.

Registration: This is a free family event open to everyone.

Event host: Boy Scouts of America Scout-O-Rama

Date: April 7, 2018 **Time:** 10:00-2:00 PM

Location: Fort Walton Beach Landing, Fort Walton Beach, FL

Web: <http://www.hsu-foundation.org>

Contact: support@hsu-foundation.org

Events Details:

Join us for a family friendly event hosted by the Boy Scouts Gulf Coast Council. The theme of the 2018 Scout-O-Rama is Pokemon and there will be lots of hands on activities and games at the booth of each attending Scout pack, troop or crew. The Scouts have also arranged to have an EMS ambulance, the Sheriff's Office, and a local fire truck at the event.

The HSU Educational Foundation welcomes back the Drone Team Challenge for this go-see Game Changer event as they set up an enclosed drone obstacle course for older youth and drone simulators for the younger attendees.

Bring the whole family and join us for a fun filled day!
