

STEM Explore Course

3rd - 5th grade participants are invited to join the HSU Educational Foundation for the HSU Sparks Scholars STEM Explore Course. This course meets on Fridays from 3:00 pm until 5:30 pm at the HSU Innovation Institute North campus.

The program will allow participants to take part in a variety of hands-on activities designed to foster a lifelong love for STEM and learning. Fun and engaging topics range from Chemistry to Zoology and everything in between. Join the HSU Educational Foundation on a different STEM adventure full of curiosity, wonder & discovery each week.

Series II Course dates: March 18 - May 20

Register for this opportunity here:
